

\*\*adjustments\*\*

curious cachet:  
some things aren't  
meant to make sense

twilight dawning:  
moments when I forget

enlightenment eclipse:  
staring at the sun for  
too long

an emergent publication from  
•Fragile•Tissue•Press

it's all gone  
fuzzy now

by DizzySpells

she's not quite right...

...no wonder
