

SO WHEN HE BOUNCES ONTO THE COUCH,
AND I'M EATING TWO-DAY OLD BANANA
PUDDING,
WE'LL COMPROMISE ON A DIGESTIVE
SUPPORT TABLET
THAT I'LL KEEP HIM IN PLACE WHILE I
PICK A CRUSTY FROM HIS EYE

AND WIPE IT BACK ON HIM.

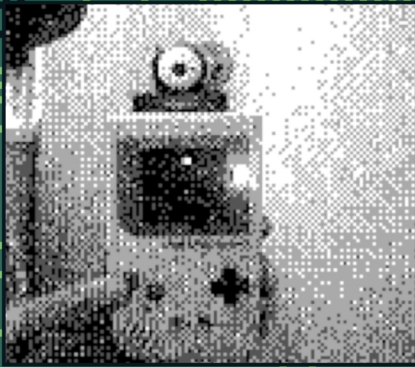

TWO HUNDRED FIFTY-THREE DOLLARS
AND SIX CENTS, OR
36.15 PARKWAY BANANA PUDDINGS.
JUST TO LEARN THAT HE HAS A
SENSITIVE STOMACH

AND IF YOU FEED A PIECE OF BANANA TO A
RABBIT,
THE HIGH SUGAR AND FIBER CONTENT
COULD CUT THROUGH THEM
LIKE HEAVY CREAM THROUGH THE THICKEST
INTOLERANT
AND GOOGLE WILL TELL YOU TO TAKE THEM
TO THE VET
AND THE VET WILL SAY THAT HE'S FINE,
HE JUST HAS A VERY SENSITIVE
STOMACH.

MORNINGS SPENT
EATING BANANA
PUDDING WITH
MY RABBIT

BY LOE

SOMETIMES I FORGET TO PICK THE
CRUSTIES OUT OF MY RABBIT'S EYE,
AND THEY BECOME LITTLE SNAGS YOU
CAN GENTLY PLUCK
FREEING THE STRAND OF ACKED-UP
EYEBALL BOOGER FROM HIS TEAR DUCT,
WHICH IS LINKED DIRECTLY TO HIS
NOSTRILS.
TO HIS ACTUAL BOOGERS.

YOU CAN BUY THREE BANANA PUDDINGS
FROM PARKWAY FOR 21 DOLLARS EVEN,
AND IF YOU LET THEM SIT IN THE FRIDGE
FOR A DAY
THEN THE NILLA WAFERS WILL SOFTEN TO
THE PERFECT CONSISTENCY
WITH JUST ENOUGH BITE TO CONTRAST
WITH THE PIECES OF BANANA
WHILE STILL PERFECTLY COMPLEMENTING
THE SMOOTH, CREAMY PUDDING.

WHO IS LOE?

LOE IS A RETIRED VILLAGE IDIOTE WHO REGULARLY PAYS THE PRICE FOR NOT WEARING SUNSCREEN DESPITE LOUISIANA'S PERSISTENT HEAT ADVISORIES. HE LIKES TO FLY KITES BY THE LAKE ON SWELTERING DAYS WITH 5MPH WINDS WHEN HE SHOULD BE INDOORS PLAYING THE 2022 ADVENTURE GAME, NORCO, NAMED AFTER OUR OWN LOCAL REFINERY TOWN. ACTUALLY, IT'D BE MORE ACCURATE TO CALL NORCO A REFINERY *CENSUS DESIGNATED PLACE*, BUT THAT DOESN'T ROLL OFF THE TONGUE AS WELL.

WHO IS THE BREADLOAFER?

THE BREADLOAFER IS THE ONLY RABBIT IN THE KNOWN UNIVERSE MADE ENTIRELY OUT OF BREAD... AND LIGHTNING. NOT MUCH IS KNOWN ABOUT HIS ORIGINS, BUT DECLASSIFIED GOVERNMENT DOCUMENTS SUGGEST HE'S ALL THAT'S LEFT FROM AN ILLEGAL GOVERNMENT INITIATIVE TO CREATE "A PRIMORDIAL LOAFENOID." HE ADVISES YOU AGAINST DRIVING PAST THE *ATALCO ALUMINA FACTORY* IN GRAMERCY, 30 MINUTES WEST OF NORCO. EVERYTHING IN THAT AREA IS COATED IN A THIN LAYER OF BAUXITE DUST WHICH YOU CAN SEE ON GOOGLE MAPS.
