RANDBURG

RANDBURG, CA - (formerly known as RANDCAMP) is a census-designated community located in East Kern County about 17 miles south of Ridgecrest and 1 mile off State Route 395 at an elevation of 3504 feet.

In the 2020 US Census, Randsburg recorded a population of 45 residents, down from 69 residents in the 2010 US Census. Randsburg is considered "a living ghost town" due to the presence or lack thereof residents in the area.

A great place to take a few pictures and just explore. I spent a few hours taking these photographs and made this little mini-zine.
