

This is my beginning to
film photography.

The lens looks awful but it's
wonderful to me

I bought cheap point and shoot camera, Minolta AF35
Big finder and loaded with Lucky SHD 400

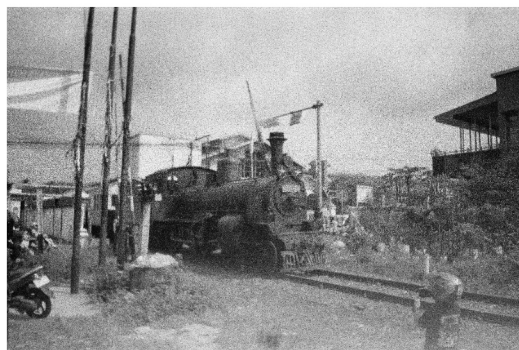

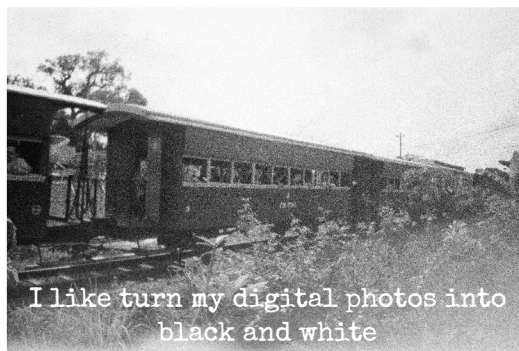

..till the
next roll

Refilming

return to film photography

Tony Haq

I like turn my digital photos into
black and white

..Then I wonder that what it feels
like to shoot in real black and
white film
